

PARTNERSHIP AGREEMENT OF ACCESSION AND COLLABORATION

Politeia, represented by **David Hernández Plaza** expresses its willingness to join the **OSI Occidental Studies Institute Foundation** and the **Defense and Security area**. This adhesion must be approved by the Governing Council of **OSI**, that will send the accession document pertinent.

This adhesion supposes for the signatory entity the following:

- Collaborate as B2B partners.
- Be part of the technical committees of the same.
- Participate in lectures and papers.
- Participate in conferences and presentations.
- Propose and participate in OSI (Defense and Security area)
- Publish books and works and research projects.
- Participate with opinion articles.
- Disseminate the work of the OSI and its concrete area.
- Collaborate with OSI database and documentation exchange.
- Information on activities related to OSI.
- Use the logo of the OSI on its website and documentation.
- Publish memories, guides and protocols.
- Other activities B2B with OSI described in added annex to this document.

The present application and the final approval of adhesion allows both entities to publish in their media the integration within the **OSI** and (**Politeia**).
